

12 March 2019

Dear Parent/Carer

**Y11 – THE FINAL COUNTDOWN : TUESDAY 2 APRIL 2019**

We are very quickly approaching the **final countdown** before your son or daughter will sit their first GCSE examination.

In preparation, students recently sat a series of mock examinations and the results will be given out to them on **Tuesday 2 April 2019**.

We encourage your involvement in this process and invite you to attend the small assembly when the mock exam results are handed out, so that you can help us to offer support and encouragement.

There are 3 sessions taking place throughout the day:-

11.00am	2.00pm	5.30pm
---------	--------	--------

Also, this brief session (approx. 15 mins) is an ideal opportunity for you to be fully informed to ensure that your child is maximising the support available to achieve their very best by the end of Year 11. Senior Staff, Mrs Sinclair (Head of Year 11) and our Careers Advisor will also be available to support with any other queries in relation to students' progress.

I would be grateful if you could confirm your availability to attend by completing and returning the reply slip overleaf to your son/daughter's Form Tutor by **Monday 25 March 2019**. *\*\* Parking will be available on the **J:Block car park** (see overleaf).*

Finally, I am pleased to inform you of the introduction a further strategy to help to build up our students' examination confidence which will be a compulsory extra subject lesson (or study session) to take place at the end of the day. This will start on Monday 18 March 2019 and will mean that you son or daughter will finish school at 3.45pm (see rota attached).

If you are unable to attend the final countdown meeting or would like information about the extra-lesson, please contact your son or daughter's Head of Year, Mrs Sinclair on 01942 202580.

Yours faithfully

**P Lamoury**
